

Rt. Hon. Herb Gray Parkway

NOTICE OF DESIGN AND CONSTRUCTION REPORT #7 B REVIEW OPPORTUNITY

Part B of the seventh Design and Construction Report (DCR), for the Rt. Hon. Herb Gray Parkway documents the proposed construction works along the corridor, associated mitigation measures and how public input received to date and how commitments outlined in the Detroit River International Crossing Provincial Environmental Assessment Report (December 2008) and the associated Conditions of Approval (August 2009) have been addressed. The Design and Construction Report is available for a 30-day public review period starting **on Thursday, February 7, 2013, after 3:00 p.m.**, at the locations listed below, as well as online at www.hgparkway.ca.

PROPOSED WORKS

The works in Design and Construction Report #7B include:

- Traffic staging involving single laning for existing Highway 401
- Traffic staging involving single laning on Ojibway Parkway
- Anticipated five-month closure of Huron Church Line
- Anticipated five-month closure of existing Howard Avenue
- Two-month closure of E.C. Row Expressway eastbound off-ramp to Huron Church Road
- Berm placement at Outer Drive.

The Report also identifies a contingency plan for the existing Howard Avenue closure that includes a potential four-month closure of Howard Diversion northbound lanes if traffic operations require it.

Two signed detours are proposed as part of the works listed above. As part of the closure of E.C. Row Expressway eastbound off-ramp to Huron Church Road traffic may be diverted to Dougall Avenue. For the closure of Huron Church Line traffic may be diverted onto Sandwich West Parkway.

Although listed in an order, many of these activities will occur in parallel with one another. The detailed design for the remaining components of the Herb Gray Parkway will be addressed in future Design and Construction Reports.

COMMENTS

Comments on this Design and Construction Report can be provided by mail, email or fax, as noted in the contact information provided below, and may also be submitted through the project website at www.hgparkway.ca. **All comments must be received no later than Friday, March 8, 2013, at 3:00 p.m.** Information collected will be used in accordance with the *Freedom of Information and Protection of Privacy Act*. With the exception of any personal information, all comments will become part of the public record.
